Dear fellow Rotarians:

Ask any Rotarian what led them to Rotary, and you'll usually get different answers.
Why? Not only does Rotary mean different things to members in different parts of the world,
it also has a unique meaning for each Rotarian.

However, we are all brought together in three important ways.
We believe in Rotary values and all share the same Four Way Test. We believe in friendships and love spending time together.
And we take great satisfaction in helping others – we are committed to Service.

The District Board has assumed important responsibilities and I thank them for this hard work.
They have made a commitment to help grow Rotary, adapt to the digital future and make Rotary more appealing to younger generations.

We have important work in front of us and so many opportunities to open for others and ourselves.

I hope you will continue your journey with us, as we continue to serve our communities so that future generations can thrive as
Rotary Opens Opportunities.

Regards,

Holger Knaack President,
Rotary International 2020-21

MESSAGE FROM WORLD LEADER

ROTARY INTERNATIONAL PRESIDENT HOLGER KNAACK & PARTNER SUSANNE KNAACK

Extract of theme for the year

So as you can see, Rotary is not just a club that you join. It is an invitation to endless opportunities.
It opens opportunities to serve in a project as big and historic as End Polio Now and also in a small community project, where you just plant a tree.

And it opens opportunities for you to live a richer, more meaningful life, with friends around the world, based on our core values.
As Rotarians, we are very blessed to take on leadership roles at this wonderful moment for our organization.
Everything we do opens another opportunity for someone, somewhere.

Therefore, the theme for our year is: **Rotary Opens Opportunities.**

RI DIRECTOR MESSAGE

DR BHARAT PANDYA & DR MADHAVI

Dear DG Sunnil and my 3141 Rotary family

I am happy to share some thoughts with you all through this directory..

Our clubs are where the good work of Rotary happens.
The true strength of Rotary is the Rotarians working sincerely in their clubs and communities.
I salute the Rotarians of D 3141 for the good work that they do.

The Covid-19 pandemic has brought home the fact that good Health is our most precious possession.
The pandemic has not only caused innumerable casualties and grief, but has sent economies on a downward spiral.
But remember 'This too Shall Pass'. If we look at the positive side virtual meetings have become the new norm especially for Rotary Clubs and Districts. Sitting in our houses we are still connected socially.
Of course "Physical Distancing" is here to stay for a long time.

We need to look forward to a post-Covid world.

Today India is becoming number 1 in the 4 NCDs (Non-Communicable Diseases) – **Diabetes, Hypertension & Heart Disease, Stroke, Chronic Kidney Disease.**

I urge club leaders to take up the campaign of creating awareness about these in their clubs & communities by holding **"Know Your Numbers Camps"**. In the camps just test for 4 things – **Height, Weight, Blood Pressure and Blood Sugar**.
And encourage those who are detected to have abnormal readings of these to consult their physician.
Also use these camps to distribute material (leaflets etc) giving brief information and creating awareness about need for early detection and treatment of the 4 NCDs.

The slogan to be used is **Ek Chumuch Kum, Char Kadam Aage** (**One Spoon Less of Salt, Oil & Sugar** in our daily diet and 4 steps forward).

Let us through Rotary reach maximum numbers & try to make a difference by Improved Health of the community.
This is a project which can be done by each and every club.

I compliment DG Sunnil Mehra and his Team for their initiative and efforts in bringing out this directory.

This directory will be a useful communication tool. . My best wishes to DG Sunnil, First Lady Shilpi and the Trailblazer team of D 3141 for the year 2020-21 as Rotary Opens Opportunities to us all.

GULAM A VAHANVATY

Rotary
District 3141

RI President Elect Holger Knaack revealed the Presidential Theme for Rotary Year 2020-21 at the International Assembly in San Diego, California in January 2020.

The Presidential Theme is "ROTARY OPENS OPPORTUNITIES"

"Rotary is not just a Club for people to join" he said but rather "an invitation to endless opportunities".

The Chinese Sage and Philosopher, Confucius is quoted as having said "The Will to Win, the Desire to succeed, and the Urge to reach your full potential ... these are the keys that will unlock the Door to Personal Excellence".

Rotary provides this Key, to open doors so that you can connect with the world, be the inspiration and make a difference.

All great deeds and all great thoughts have a humble beginning. Great works are often born in a street corner or in a Restaurant's Revolving Door, according to Albert Camus. On a more first-hand connect, Rotary provided the Door of Opportunity for the humungous idea of ending Polio and thus capture the imagination of the Globe.

As Dist. Governor or as President of a Rotary Club, Rotary offers you a Door to endless opportunities for personal growth and excellence.
As a Service Organization it also makes you aware of the fact that everything you do in terms of Service provides Doors of Opportunity for countless others.

As a Rotary Leader, you Rotarian Sunnil Mehra have been handed a Torch that has been carried for 115 Years.
Carry that Beacon of Light to Open Doors of Opportunity for those who have no windows.

With my very best wishes and regards to Rotarian Shilpi ,

Gulam A Vahanvaty,
Trustee- The Rotary Foundation

Ravindran was the first president of the Sri Lanka Anti-Narcotics Association, which today is the leading agency fighting drug addiction in Sri Lanka.

Presenting to you Rtr. Ojas Joshi

ROTARACT MOVEMENT IN RID 3141
Rotaract District 3141 caters to the revenue districts of Mumbai and Palghar.

We have **104 active clubs** with more than **8000** dynamic Rotaractors coming from various demographic backgrounds.

This amazing bunch of super talented Rotaractors are highly involved in promoting Rotary International's ideas of Self-development through Fellowship and Networking. We can never give the community back all that it has given us, but we do put in our maximum efforts to contribute as much as we can.

Out of the 104 active clubs, 65 clubs are University/Institution based and 39 clubs are from local community areas or community based clubs. In a city as large as Mumbai, we can proudly say that there is minimum one Rotaract club based at every local station of the western, central and harbour railway lines. The total number of projects in a year cross the numerical limit of 5000 and go beyond.

Similar to Rotary's six areas of focus our Rotaract clubs primarily work in projects related to the following avenues:
- **Club Service and Fellowship**
- **Sports**
- **Community Service**
- **International Service and outreach**
- **Professional Development**

ROTARACT MOVEMENT

OJAS JOSHI

The new enactment of RI will enable a Rotaract club to be a member of Rotary International directly.
This step will help in ensuring greater support to Rotaract clubs then hitherto.
This is evident and as can be seen in major projects of the District such as, Jeevandaan: The annual blood donation, Diabetes Check-up camp, Project Positive Health (PPH).

Gateway- The Rotaract District Assembly 19-20 had the privilege of RID Bharat Pandya as the Keynote speaker.
The Millennial's Summit - was the first of its kind event supported by Rotary Club of Mumbai Nariman Point and many more.

Rotary-Rotaract have been working together not just for community building but also the aspects of fellowship, networking and service projects. The year 20-21 will be further fillip as a special team called 'Project Committee' has been created in the Rotaract District Council and the members of this committee will be actively involved in various Rotary projects across the avenues of service as equal team members. Indeed, a big step to enable Rotaractors to be closely associated with Rotary and paving the pathway for more and more young leaders to eventually join Rotary.

Every rotaractor in our district is encouraged to effectively get involved in atleast one of the six Rotaract areas of focus.

RRED - Rotaract Entertainment Destination is a mega flagship project. It is a two day cultural festival that encourages members to healthily compete against each in an inter-zonal battle. In 2017-18, RED transformed to RRED i.e. Rotary Rotaract Entertainment Destination. This has led to enhancing the experience of this festival with more than 30 Rotary clubs lending their helping hand for this project in various ways. We have also included events for PWD- People with Disabilities to ensure that Rotaract is a medium for all.

Rotaract for All is our goal for the year 2020-21. We look to become an inclusive organization for PWD, LGBTQ+ and anyone who wants a platform for service and development.

The various medical check-up camps are all organized in support with Rotary and we have seen a year on year growth in the number of people who could access these.

Our DRR 19-20, Kushal and I feel closely connected to the cause of child development and a big step towards the same is our **Project PRAYAS** which has been offered a District grant as well. Under project PRAYAS, we hope to work towards the holistic development of Pragati Vidyalaya, Vikhroli. This project has been ably supported by the Rotary Club of Mahakali Heights who are also helping to build an open play-area for these children.

The **Millennial's Summit**, an independent summit by Rotaract District 3141 is poised to become an annual feature with the help of Rotary clubs in RID 3141 which will help to shape the future by bringing together Millennial's leaders from all across. The year 19-20 saw a participation of 800 plus Rotaractors who attended this at the Bombay Stock Exchange. The speakers came from various fields and impressed the audience within minutes.

We are privileged to have work with the Rotary in large numbers for events that touch the hearts of the youth of this city of dreams. In the coming year, we shall continue to actively give back to the society with immense support that the Rotary never fails to provide us with.

Rotaraction has been growing steadily in RID 3141 and we are on our way to reach a goal of 10,000+ members by June 2021 making us one of the largest youth based organizations.

Today, we all are living in a digital age and several of our alumni stay connected all the time.
The digital medium also acts as a catalyst for clubs to reach out to larger audience not only locally but also internationally.

More and more corporates are taking care of their social responsibility and Rotaract is ready to embrace these large corporates as we are equipped with a strong volunteer force plus a robust network of qualified professionals via the Rotary.

Adding to that, we are reaching out to Interact clubs with the aim of making these children the torchbearers for the coming years.

Not looking at Rotaract or Interact as an extra-curricular activity, entertainment but building up on team work and leadership qualities.Our goal for five years down the line is to introduce the power of Rotaract to as much of the society as we can, while continue to lift the souls of the current and upcoming youth.

"Rotaract is a community filled with hope, possibilities, scope, skills and giving back to the society all backed up with entertainment for every young adult."

GOVERNOR'S GOVERNOR MESSAGE

BANSI DHURANDHAR & DR SUREKHA

Dear Rotarians,

District Directory is the most important and extremely useful publication of any Rotary year. My compliments to Visionary District Governor Sunnil and his entire team for publishing District Directory of RI Dist. 3141 for Rotary year 2020-21, well in advance. We all know Sunnil as a perfectionist. Collecting, compiling & correcting data is a thankless job however, with first lady Shilpi's drive, the publication team has literally burnt midnight oil and come out with a marvellous publication.

Rotary is an organisation of leaders. Our membership is diverse. We have businessman, professionals, teachers, sportsman & Social workers, etc. as members who come from all walks of life. It is important to have a mode of frequent communication within all the members . It is also important that they establish contact with various persons at leadership position who can be a great resource while working either on a project or addressing administrative issues . Though the means of communication has gone though dramatic change, replacing printed District Directory to locate co-ordinates of right person, is a distant dream.

It is just not any other publication. It is the most important tool to establish multi level communication with people of concern. It's user friendly, handy and contains relevant information. Most importantly it is in both forms Electronic and Paper. I am sure District Directory 2020-21 will be well received by all of us and we will find it extremely useful.

GOVERNOR 2020-21-MESSAGE

SUNNIL MEHRA

They say times are tough, yes they are, but there are two ways to handle them.
Accept them and succumb to Destiny.
OR
Accept them and create your Destiny.

In these challenging times, I also see a humongous basket of opportunities and truly "the old order changes".

What is being described as the "new normal", which in other words can also imply, better use of technology, has been lying at our doorstep. Our desire to succumb to destiny let it lie there. And with trying and challenging times thrust upon us, we adopted to Technology usage and made our goals and objectives more powerful, more impactful, more Visionary. The pandemic became an Opportunity!! And maybe intuition prevailed, when our Rotary World Leader, RIPE Holger Knaack, was in a way predictive of the future, when he at the International Assembly this January 2020, declared the theme as "Rotary Opens Opportunities". Truly a "Vision" into the future.

Evolving has been a constant with Rotary…. And evolve we shall.

And how brilliantly we have evolved. In every step we take, we have taken the challenge of this calamity in our stride and converted that into an opportunity. In every move we make, no lockdown has stopped us from reaching out to the communities and ensuring we share their pain and help reduce it, be that with meals, supplies of essentials, or then medically. Rotary and Rotarians, Rotaractors, Inner Wheel, cannot be bogged down. The end objective of our fraternity is Service and that has been at its epitome in these times. I truly applaud the DNA of service which drives us.

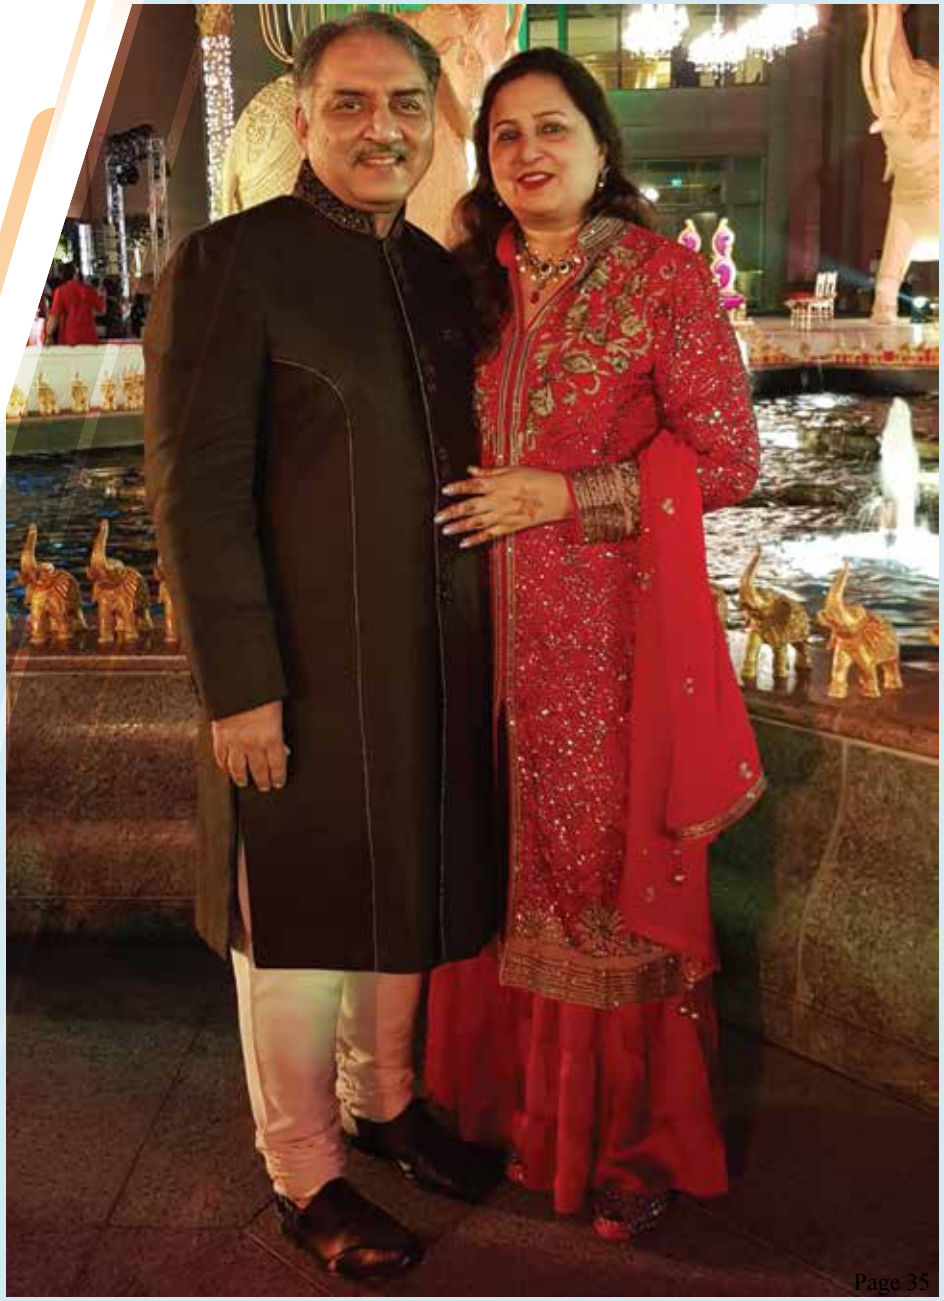

We did not know it would be such a profound statement, when our team resolved, that Rotary needs to be more affordable. We went around trying different ways to build bonds and drop costs. Technology was used from August 2019, for our online meetings and travelling time saved was time earned. Clubbing of events to drop costs was also implemented. But getting together the model for online training would never have occurred to us, had the calamity not come. All events and trainings effectively used the digital platform, seamlessly and without the "virus".

Connecting is at the core of who we are. It is essential for us to stay in touch, because "connectedly" we grow stronger But Covid came, and though physical distancing became the necessary need of the hour, social distancing was converted to virtual closeness. It is said that Rotarians feel the itch to be in touch, share lives and serve together. So no "Karo Na" (hindi) can deter us. We shall stay virtually connected till we can physically connect.

As we were in our homes time was converted into an opportunity, to plan, strategize, and tweak our path to the altered scenario. But the end objective shall remain the same, to carry on serving communities and growing our fraternity. And in this time frame have evolved projects and events, in synch with current times, and manoeuvred to still attain our Objective….. "Service Above Self".

Shilpi and Myself, and the entire core team, shall endeavour to support you in every step you take, every move you make, as we are truly watching you, guiding you and ensuring your dreams become realities. Truly speaking, Visionaries shall fly high and shine bright, as they shape their own Destiny.
I end this message with an appeal, and state, that serving the community shall happen, if you ensure that you and your families, stay safe and healthy.

God Bless

MESSAGE FROM FIRST LADY 2020-21

SHILPI MEHRA

Rotary
District 3141

Sunnil always says to me change is the only constant and how well we can all relate to it today. The world as we all know of has done a total complete turnaround and many of us are struggling with thoughts of the future. But I think more than any other race, Indians are most resilient and adaptable to change. We are honed to compromise, and adjustments and therefore I think we will all come shining bright from this calamity too.

Life has been kind to many of us and more than that we are all moved with the acts of humanity. So, I am sure that we will all find ways and means to manage to do our projects that we have all envisaged. There is a saying "When the going gets tough ... the tough gets going" and who else can be tougher than a determined Rotarian / Partner who has set out to do what his hearts desires.

Many of us started on this journey 2 and a half years back when Sunnil was first selected the DGN by the nomination committee. Many we have known since even longer, ever since we were first introduced to Rotary. Today I can easily say that I have some of my closest of friends among many of the Rotarians and Spouses of various clubs.

In my journey in Rotary I have been through almost all phases, started as an Anne, First Lady (Partner) and then a President of two different Clubs. Each had its responsibility and its own charm. As a First lady, I took on the responsibilities of the backend support/secretary, taking caring of all the requirements of the reporting the attendance and managing to remind him of all his innumerous appointments.

During that period, Sunnil chartered RC Mumbai Lakers, I was asked to become a member. The 2nd President of Lakers resigned the few days before pre pets, and I was their last-minute stop gap entry. However, things were never the same for me thereafter. I loved being a Rotarian, and I did just about every project that could have been conceived. We did the first ever Global Grant project of District 3141, and I still can't forget the look on DGs Jayant Kulkarni's face when I showed him the complete project ready to upload at the Membership Seminar.

Both Sunnil and I had posts on the District thereafter, and it was getting too difficult to balance family life and two different clubs, so I joined our home club, Bombay Pier. I was also invited to join as charter member of our Inner wheel club of Bombay Pier. Today I am the current IPP of Bombay Pier.

All of these opportunities and being the presidents of two different clubs were amazing experiences and have all contributed to making me the person that I am today.

Life has been constantly changing, Learning and adapting with whatever came my way has been both an enriching and wholesome experience.

All I want to say to all of you whether you are a Partner, Spouse, President, First Lady, District Dignitary ... let's open our hearts and our lives to the opportunities that are coming our way this year. Let's support each other in these Covid Days and let's emerge even stronger than before. Lets inculcate patience and understanding in our everyday life and lets be the reason for a person's smile .

Sunnil and I would like to be one of your closest friends, one that you would not hesitate to call or chat if you are away face with any situation, or any difficult time. So, we are just a phone call away … Call … please don't hesitate.

And together let our Vision open many opportunities …as we celebrate yet another successful and fulfilling year in Rotary.

Enjoy Life
Enjoy Your Families and Children
Enjoy Rotary and....
Stay Safe

DISTRICT GOVERNOR NOMINEE 2022-23

SANDIP AGARWALLA & MALINI

Rotary
District 3141

PP Sandip Agarwalla is a third generation Rotarian. His grandfather was the Charter President of the RC of Dhanbad. His father was a Past District Governor of District 326; he was also the Chairman of the National Nominating Committee which nominated Sushil Gupta as RI Director. Sandip's mother is a Past District Chairperson of the Inner Wheel and is a Past President of the Inner Wheel Club of Bombay.

Sandip's relationship with Rotary began at a rather early age. He visited more than 20 Clubs in Odisha as a 10 - year old accompanying his father on his OCVs. He was also with his father when he went for his District Governor Training at Lake Placid in 1971 and the following RI Convention in Houston, U.S.A.

Sandip was Interact President of the Cathedral & John Connon School and then went on to become Chairman of the Poor Students Educational Relief Fund at Sydenham College (there was no Rotaract Club in the College at the time). Academically he was a high achiever and was ranked 23rd in the Bachelor of Commerce examination of the University of Mumbai in his year of passing.

He joined the Rotary Club of Bombay at the age of 29 years, when its average age was 65 years ! He went on to become it's youngest President in its 90 - year history, at the age of 41 years and 12 days. His term as President is remembered as one of the finest, with plenty of service activities, fellowship, top quality speakers and record fund raising. His zeal after completing his term as President has never diminished. He has since been nominated Best Rotarian of the Club twice in the last 4 years, as well as best Chairman of a Committee, several times.

His work in the District has been Avenue Chair across a broad spectrum of activities for various District Governors and is one of the very few to have been asked to Head The Rotary Foundation Avenue, twice. Today, Sandip is the Group Head for TEACH and WinS – both National Emphasis Areas for the District. In the last year he was the Chief Group Avenue Head of TRF and also the District Secretary and Head of Public Image – a rare distinction accorded to him by both the previous and current DGs to head 2 separate and very important committees. Other than these he has been AG in 2004-5 and AT, Chief Coordinator and District Secretary in subsequent years. He was also nominated by PRIP Ron Burton to be a part of the India CSR committee where among stalwarts like the then RIPN Sushil Gupta, TRF Trustee Gulam Vahanvaty and other DGs from all over the country, Sandip was the only non-DG! He has also addressed many Rotary clubs and District Fora on a variety of topics.

He is currently a Member of the National Working Group for CSR (Rotary India), Executive Committee Member of the Rotary India CSR National Committee (RICSR) (up to 30.06.2021) and the District Endowment and Major Gifts Co-ordinator (DEMGC) for RI Dist 3141 (20-21)

He has been elected as the Distirct Governor Nominee for 22-23 for RI District 3141.

His business interests include mining of marble and solar energy. He is a member of several reputed professional bodies and a member of Mensa International, a high -IQ Society.

His wife, Malini runs a successful fashion accessories business. She is a Past President of the Inner Wheel Club of Bombay and is its ex-Trustee as well.

His son, Abhimanyu is based in London as the Head of Asset Management of Marks & Spencer's property division, and married to Priyanka. They have given Malini and Sandip, "the joy of their life", Elina; their granddaughter. Sandip's daughter, Rishika is working as a Consultant with McKinsey and Company, in New York.

Dear Shilpi and Sunil

It is with great joy and enthusiasm that we are looking forward to the year ahead. The new normal has made us explore uncharted waters and as a community we have all learnt to adapt and forge ahead in the changed circumstances.

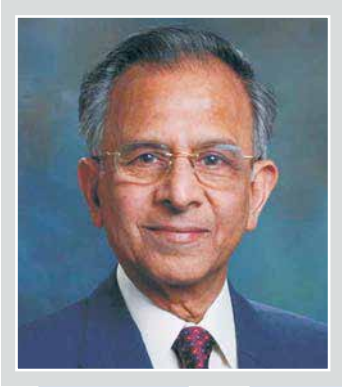

Sometimes, in your busy schedule, we are sure this has come as a boon enabling optimum use of your time. The brave and capable find opportunities in adversities and you have already shown the way with well-structured training programmes you have been conducting. May you continue the relentless pace you have set. We have no doubt that not only will Rotary Open Opportunities for our District, but with both of you as our leaders, our District will also "Open Opportunities for Rotary" in the coming year !

Warm regards and good luck !

WE MISS YOUR PRESENCE IN OUR LIVES DAILY

Rtn Ameet Barot

"Our Lives go on without You
But nothing is the same,
We have to hide our heartaches
When someone speaks your name.

Sad are the hearts that love you
Silent the tears that fall
Living our lives without You
Is the hardest part of all.

You did so many things for us
Your Heart was Kind and True,
And when we needed someone
We could always count on You.

The Special Years will not Return
When we were all Together
But with the Love within Our Hearts
You will walk with us Forever "

ASSISTANT GOVERNORS

Roles and Responsibilities :

Assistant Governors are part of the district leadership team, which also includes the district governor and district committee members. Their primary role is to assist the Governor with the administration of assigned Rotary Clubs.They are the key support person for their assigned clubs. They main task is to be available to the club presidents, and offer ideas and guidance throughout the year.

Responsibilities during the year in office include:

- Visiting each of the assigned clubs either monthly or quarterly to discuss the business of the club, available resources, and effective management of funds with the club president and other leaders.
- Assisting club leaders in scheduling and planning for the governor's official visit
- Attending each club assembly after the district assembly and during the governor's official visit.
- Keeping the governor updated on clubs and suggesting ways to enhance their development.
- Encouraging clubs to follow through on the governor's requests and recommendations
- Monitoring each club's progress toward its goals for membership, Service projects, The Rotary Foundation, club administration and public relations.
- Coordinating training at the club level with the appropriate district committee.
- Identifying and encouraging the development of future district leaders.
- Attending and promoting attendance at the district conference and other district meetings
- Participating in Rotary Foundation programs, annual and special giving events, and other assignments as necessary.

Year in office:

July-August	• Begin your club visits. • Help club leaders plan for the governor's visit.
December	• Remind club leaders that updated membership lists and club invoices are due to RI on 1 January. .They can submit both on My Rotary.
January	• Remind club leaders to report incoming club officers on My Rotary by 1 February.
May	• Add club ratings and comments in the Rate Clubs section of Rotary Club Central by 15 May. • Meet with the incoming assistant governor.
June	• Remind club leaders that semiannual dues and updated membership lists are due to RI on 1 July.

Supporting Clubs:
You're an important resource for your assigned clubs.
Because you interact with a variety of clubs, you can observe a wide range of approaches to common issues, and you can share insights that can help clubs meet their goals and overcome challenges.
Understanding each club's needs and strengths is crucial to providing helpful guidance.
To support clubs:
• Be available and approachable.
• Give special attention to weak clubs.

Concluding the year :
Throughout the year, your assigned clubs will add members, implement new service projects, and support foundation programs.
Finish your term as strongly as you started by making sure clubs feel ready to begin the next year.
Consider the following suggestions:
• Acknowledge and celebrate clubs' accomplishments.
• Ensure that clubs recognize what they do well and continue to use those strengths.
• Suggest areas that need more attention in the next year.
• Review club goals and discuss clubs' progress toward achieving them.
• Share your final evaluation with clubs so they can reflect on the year.

Global grants can fund:

Humanitarian projects
Scholarships for graduate-level academic studies
Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

How they're funded

The minimum budget for a global grant project is $30,000.
The Foundation's World Fund provides a minimum of $15,000 and maximum of $400,000.
Clubs and districts contribute District Designated Funds (DDF) and/or cash contributions that the World Fund matches.
DDF is matched 100 percent and cash is matched at 50 percent.
Global grants can also be funded with endowed earnings and directed gifts.

Qualification

Both the district or club in the country where the activity is carried out and the international partner district or club must first become qualified before applying for a global grant.
Your club and district Rotary Foundation chairs can help you plan how to use your District Designated Funds and learn how to qualify your club.

District resource network

Local Rotarians who have expertise in Rotary's areas of focus, global grants, and project planning are among your best resources. Experts can also include alumni, Rotaractors, Rotarian Action Group members, and The Rotary Foundation Cadre of Technical Advisers.

Submitting a successful grant application

Consult with local experts early in the planning process to build a strong project plan and global grant application. The district grants team can help.

To be approved, your application must clearly describe your project, scholarship, or vocational training team:

I**s sustainable** — include plans for long-term success after the global grant funds have been spent include measurable goals

Aligns with one of Rotary's areas of focus

Responds to real community needs — any club or district that applies for a global grant to support a humanitarian project or a vocational training team must conduct a community assessment first and design the project based on what they learn through that assessment.

Actively involves Rotarians and community members

Meets the eligibility requirements in the grants terms and conditions
Applications are accepted throughout the year and are reviewed as they're received.
Note: Sponsoring clubs and districts must submit their applications by June 30 to the Rotary Foundation for scholars who will begin studies in August, September, or October.

Monitoring & evaluation

Measuring outcomes is an integral part of global grant projects.
Proper monitoring and reporting ensure that Rotary grants have a positive impact.

Y

DISTRICT GRANTS

District grants fund small-scale, short-term activities that address needs in your community and communities abroad. Each district chooses which activities it will fund with these grants. It is alos to encourage smaller clubs to do projects who many necessarily not be able to do Global Grants

You can use district grants to fund a variety of district and club projects and activities, including:

Humanitarian projects, including service travel and disaster recovery efforts
Scholarships for any level, length of time, location, or area of study
Youth programs, including Rotary Youth Exchange, Rotary Youth Leadership Awards (RYLA), Rotaract, and Interact
Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves
You have plenty of freedom to customize your service projects.

How they're funded

Districts may use some percentage of their District Designated Fund This percentage is calculated based on the amount of DDF generated from a district's Annual Fund giving three years prior, including Endowment Fund earnings. There is an percentage and a formula that is decided every year

ROTARY VISION STATEMENT

**As we stand on the cusp of eliminating polio, we find ourselves poised for our next challenge.
The time is right to move toward realizing a new vision
that brings more people together, increases our impact, and creates lasting change around the world.**

See how your clubs goals reflect those of your District and Rotary's Strategic Plan

STRATEGIC PLANNING PROCESS

PHASE 1- DETERMINE YOUR STATUS: HOW IS OUR CLUB DOING NOW	DEVELOP A VISION: WHAT DO WE WANT OUR CLUB TO BE LIKE?	PHASE 3 —MAKE A PLAN: HOW CAN WE ACHIEVE OUR VISION?	PHASE 4 —TRACK PROGRESS: HOW CLOSE ARE WE TO OUR GOALS?
Identify strategic issues to address	List five to seven characteristics you want your club to have	Set strategic priorities	Monitor progress toward your annual goals
Determine club's strengths and weaknesses	Create a vision statement	Set annual goals	If you missed your targets, determine why
Assess member satisfaction and needs		List the activities, timeline, and resources you'll need	Adjust your action plans
Identify opportunities and challenges in the community

PHASE 2 — DEVELOP A VISION: WHAT DO WE WANT OUR CLUB TO BE LIKE?

CLUB CHARACTERISTICS

Rotary's vision statement asks us to "unite and take action to create lasting change." List five to seven characteristics you want your club to have within three to five years that will help realize that vision, e.g. fun, service-oriented, innovative, representative of the community, etc.

CHARACTERISTICS

VISION STATEMENT

A vision statement defines your desired future and provides direction for what you want your club to be.
Write a one-sentence vision statement with your strategic planning team using the list of club characteristics as a reference.
Potential questions to consider:

- What will our club look like in three to five years?
- How will we know we've succeeded?
- What do we want to achieve?

VISION STATEMENT

PHASE 3 — MAKE A PLAN: HOW CAN WE ACHIEVE OUR VISION?

STRATEGIC PRIORITIES

Your strategic priorities should help you achieve your vision. These priorities answer the question, "How will we succeed?" Develop your most important strategic priorities — those that will have the biggest impact as your club works toward its vision.

Consider the following when you develop strategic priorities:

- The Rotary vision statement and strategic plan
- Your club's strengths and weaknesses
- Your district's goals
- Your community's opportunities and challenges
- Your club members' opinions
- What you can achieve in three to five years

STRATEGIC PRIORITIES

ANNUAL GOALS

When you have set your strategic priorities, you can develop yearly goals that support them.
Write down your strategic priorities. Then list your annual goals, along with the actions you'll take, the resources you'll need, and who will lead the effort to meet each goal. Set a timeline for each. Rotary Club Central can also assist you in setting goals and tracking achievements.
TIP
Effective goals clearly state what, when, how,

PHASE 4 — TRACK PROGRESS: HOW CLOSE ARE WE TO OUR GOALS?

MONITOR PROGRESS

You'll need to track progress toward your annual goals with your strategic planning team and suggest changes to action plans if needed. You may want to try a new approach or allocate more resources to your goals. Consider the following when monitoring progress:

- How often should we measure progress toward our goals?
- How should we communicate our progress to club members? • Who should approve changes to action plans or annual goals

GOAL PROGRESS REVIEW PLAN

REVIEW AND ADJUST

As you review the progress you've made, list your goals, including any goals that were not met and the reasons why. Determine what adjustments or actions should be taken to achieve those unmet goals. Consider the following when identifying and listing your missed targets: • What goals were met?

- What goals were not met?
- What are the top reasons we fell short of those goals?
- What adjustments need to be made to help us achieve those goals?

"Know Your Numbers Camps". In the camps just test for 4 things – **Height, Weight, Blood Pressure and Blood Sugar**. And encourage those who are detected to have abnormal readings of these to consult their physician. Also use these camps to distribute material (leaflets etc) giving brief information and creating awareness about need for early detection and treatment of the 4 NCDs.

The slogan to be used is **Ek Chumuch Kum, Char Kadam Aage** (**One Spoon Less of Salt, Oil & Sugar** in our daily diet and 4 steps forward).

LEGAL LITERACY

Legal literacy connotes the knowledge of the primary level in **law**. After the citizens (particularly marginalized or underprivileged groups) become aware of the rights provided to them by **law**, they can use such **awareness** as a tool to fight injustices. Such **awareness** can transform their lives.

Miles to End Polio
Join Rotary International General Secretary John Hewko, Rotary leaders, staff, and members as they bike the El Tour de Tucson in Arizona, USA, to raise funds to support polio eradication efforts.
Meet the Team
I am from a generation who has witnessed the devastating effects of polio. When I discovered how close we were to eradicating polio, I was very motivated to be a part of this movement. It is so rare when you can accomplish something so spectacular.

RURAL/TRIBAL LITERACY

In **rural** areas, it was 71 per cent compared to 86 per cent in urban areas. ... For adults also, **literacy** rate in **rural** areas was lower than that in urban areas. In **rural** areas, adult **literacy** rate was 64 per cent compared to 84 per cent in urban areas. Jun 30, 2015

IMPORTANCE OF RURAL LITERACY

- Social Reasons — The Indian Constitution provides for several rights and principles of citizens, of which the right to education is a major aspect. To understand the significance and functioning of these rights, modern education is a must.

- Cultural Reasons — Today's culture is advancing fast. To utilize the benefits of these advancements, education is a prerequisite. For example, a rural farmer who has access to modern agricultural tools like fertilizers, threshers and harvesters must be educated to take advantages of these tools. Education can affect the intellectual life of people and help them to contribute towards the advancement of the society.

To be eligible for the Rotary Citation, clubs need to begin the year as active clubs in good standing – or having paid each invoice balance in full upon receipt. To verify that your club is in good standing, check your daily club balance report under Club Administration > Club Finances. You should have an outstanding balance of $0.00. Invoices are due when they are posted, in mid-January and mid-July.

Beginning in 2020-21, Rotary club leaders can go into Rotary Club Central and select at least 13 out of 25 goals they wish to apply toward citation achievement. This flexibility allows clubs to choose the goals that are most relevant and achievable. In addition, many goals will be self-reported by marking "achieved" in Rotary Club Central.

To achieve the citation:

- Go to Rotary Club Central
- Review the 25 available goals
- Select at least 13 goals (or more than 50% of the available goals)
- Achieve those goals
- Report achievement in Rotary Club Central

Once you are in Rotary Club Central, navigate to the Goal Center, select the year, and click on the All tab to see the goals. Below are the goals for the 2020-21 Rotary year:

PROJECT

Watershed Management, Cochlear & Pediatric Heart Surgeries. Amongst these 3 projects, we would like to highlight our Watershed Management Project which involves water conservation through creation of water shed management techniques called DOHAs. This Model envisages deepening of existing river bed & thereafter creating a series of check dams which helps in creating additional storage of water. This project makes villages drought proof & thus self-reliant.

A Rotary Community Corps is a group of non-Rotarians who share our commitment to changing the world through service projects.
RCC members plan and carry out projects in their communities and support local Rotary club projects.
There are more than 10,000 corps in 100 countries. RCCs are active everywhere Rotary is present: in urban and rural areas, and in both developed and developing countries.

RCCs can exist anywhere a local Rotary club sponsors one. You can find an RCC in your area by contacting your local Rotary club.

How do I sponsor an RCC?
By sponsoring an RCC, you're giving more people a chance to take action to solve your community's problems.
Fill out an organization form and email it to Rotary International.
How do I form an RCC?
You can form an RCC anywhere community members are interested in working with Rotary. Here are some guidelines:

- **Work with other local residents to identify the community's greatest needs using this assessment form.**
- **Work with your local Rotary club to outline how you will work together.**
- **Recruit RCC members. Start with a core group of members. Community organizations and nongovernmental agencies are good places to recruit.**
